Enfield, N. H., February 15, 1910.

TRUSTEE'S REPORT.

In making this, the ninth annual report of the Free Public Town Library, we are glad to state that the interest in the library is still on the gain.

This is especially noticeable with the younger members of the community, many of whom are regular patrons of the library.

The number of books issued is about the same as last year, in spite of the fact that quite a number of readers have left town.

We shall not be able to add as many books this year as heretofore, as no money was voted last year for that purpose.

We had hoped that the town would be liberal with the library this year.

We will continue the same liberal policy with the summer boarders.

We tender sincere thanks to all who have donated books, pictures, etc., and recommend the example to others.

ELLA M. PATTEE,
HENRY CUMINGS,
ELMER E. JONES,
Library Trustees.
